# How it Works

## How to be a Beneficiary - Part A (1/2)

**A social enterprise is a purpose-driven business that trades to deliver a positive social, cultural and/or environmental impact.**

**Please read the following checklist to ensure that you are eligible for application:**

1. Is your organisation delivering a positive social, cultural and/or environmental impact?
2. Does your business's social goal aligns itself with one of the [UNSDGs](#)?
3. Are your profits used to address the above mentioned social purpose or issue?
4. Are you able to provide evidence regarding the profit distribution from your enterprise

## How to be a Beneficiary - Part A (2/2)

If you have fulfilled the requirements in the previous segment, email [contact@wottlenft.io](mailto:contact@wottlenft.io) with the following information with the header “**Beneficiary Application - (Name of business)**”
